## ***TIPS TO HELP RUN YOUR EVENT***

1. On your player sign-up sheet, give as much information as possible i.e. cost breakdown, rental equipment available and its cost, rental procedures, etiquette, advice for non golfers, start times, rainy day procedure, BBQ information, and a designated driver program.
2. It may be best for your group to play a Texas Scramble because it speeds up play and is fair to the non-golfers in your Tournament.
3. Pre-assign tee times to players and inform them well in advance of these times. Have a group meeting 15 minutes before your 1st tee time to ensure prompt start times. Tournament scoring sheets are available from the pro shop.
4. Players who need to rent equipment should arrive 45 minutes early.
5. There are many ways of getting and awarding prizes. See us for ideas. Prizes can be purchased through our Pro Shop in several affordable packages. We offer a 20% discount to all tournament groups for purchasing their prizes.
6. Longest drive, longest putt, and closest to the pin markers are available from the Pro Shop. The Spallumcheen Tournament Organizer can help you choose which holes to have these markers made for and have them printed in advance.
7. Appointing a team captain (experienced golfer) for each foursome will help to make your tournament run more smoothly.
8. Enjoy your tournament!
